Save St Barnabas Church

Dear Parishioner,

Are you likely to need your local Church ...

- for yours or the wedding of one of your children/grandchildren?
- for the baptism of a child or grandchild of yours?
- for a funeral service?
- for regular worship?

How would you feel...

- if this lovely building was razed to the ground and the land sold to property developers for yet more housing?
- if this building used as a big enough venue by local schools for their special services and prize-giving at minimal cost (just a donation for heating) were lost?
- if this meeting place for the elderly and vulnerable people of our Parish, facilitated by our Parishioners were lost to the public
- if our relatively inexpensive halls used for SureStart meetings, youth clubs and children's parties were to be closed and left vacant?

If these things alarm you please write and state your objections to:

Rex Andrew, Church House, Great Smith Street, London SW1P 3AZ

or email: rex.andrew@churchofengland.org

Absolute Deadline for these to be received is 17th February 2014. This is the very last stage of the consultation. **Do nothing and within months this Church could lay vacant or be sold.**

Please act now and help save our heritage for future generations.

St Barnabas PCC
